

**Department of Management Science and Engineering**

**POSITIONS**

Professors at all ranks in management science and engineering

**ABOUT THE ORGANIZATION**

The School of Economics and Management (SEM) at Tsinghua University invites applications for faculty positions (Assistant Professor, Associate Professor and Full Professor) in the Department of Management Science and Engineering. Tsinghua has the most selective undergraduate program in Mainland China and is among the top 50 universities in the world according to both Times of London and QS rankings.

With its Beijing campus inside an expansive former Qing Dynasty garden, the school provides an excellent research environment and the possibility of teaching undergraduate, Master's (research-oriented, MBA and EMBA) and Ph.D. students. More information about the school can be found at <http://www.sem.tsinghua.edu.cn> (English version: <http://www.sem.tsinghua.edu.cn/portalweb/appmanager/portal/semEN>).

**POSITIONS SUMMARY**

The School offers competitive salary, relocation fund, start-up research fund and other fringe benefits. Applicants should hold (or expect to hold before employment) a Ph.D. degree in the field of Information Systems. We stress high research potential or achievement. Candidates must be committed to effective teaching, scholarly and professional research, as well as university and community service. Rank and salary will be commensurate with qualifications and experience. No knowledge of Chinese is required, and applicants of all nationalities are encouraged to apply.

**APPLICATION**

To apply, please send an application cover letter, CV (including a list of publications and working papers), three letters of reference (apart from tenured positions), evidence of research and teaching excellence, selected articles or working papers to [scholar@sem.tsinghua.edu.cn](mailto:scholar@sem.tsinghua.edu.cn).

Screening of candidates will start immediately and will continue until the positions are filled.
